Dear Arts Center of Saint Peter Supporters,

This past year has been an exciting year for the Arts Center. We have experienced a year full of unique and creative exhibitions, performances, classes and wonderful events. On behalf of everyone at the Arts Center, I would like to personally thank every individual who has supported in the past whether it was with your time or monetary donations to the Arts Center. Without your generosity, we would not be able to offer the quality arts opportunities we do.

Like many in our community and surrounding communities, we have seen brighter economic times. With budget cuts and the rising cost of energy, we are experiencing challenging times at the Arts Center. Grant-makers are becoming more selective with their giving and have less to give. It is for these reasons that we need your support now more than ever. Please make the choice to support the Arts Center of Saint Peter through making a monetary contribution this holiday season and help us reach our goal of \$10,000 by December 29, 2008. Your contributions are tax deductible and will help ensure that our community has the Arts Center of Saint Peter around for years to come.

Warmest wishes,

David Goldstein

Executive Director, Arts Center of Saint Peter

The board of directors of the Arts Center is pleased with the innovative direction of newly-appointed director David Goldstein. The board is fully committed, with 100% participation, to the Annual Fund drive as a way to assist in insuring forward motion for the Arts Center.
